

## Gold-Plated Satellite Cable (75 dB)

### Overview

#### CONNECT YOUR SET-TOP BOX TO YOUR SATELLITE TV

This Belkin 75 dB Satellite Cable features gold-plated connectors to provide precise contact for the best picture and sound quality. True 75 dB construction provides accurate picture quality, while pure copper conductors maintain signal integrity. The conductors are shielded, so you get the clearest picture and sound from your satellite TV.

Perfect for connecting:

- Satellite TV
- Set-top boxes

### Features

- 75 dB construction
- Gold-plated connectors for precise contact
- Shielded conductors provide isolation from interference
- Slim, lightweight design for ultra-portability and superior quality
- Soft, pliable cord design for tangle-free installation around your home
- Low-profile strain relief extends cable lifespan
